

Executive Biography

Wing Kin Cheung

General Manager, Handheld Calculators Business Unit, Personal Systems Group

Hewlett-Packard Company

Wing Kin Cheung is general manager of the Handheld Calculators Business Unit at HP, responsible for driving profitable growth and customer satisfaction toward current and future product offerings. He is also an avid and experienced HP calculator user and is passionate about driving the continued success in this iconic business.

Previously, Cheung was director of marketing for the Technology Solutions Group at HP, responsible for driving customer awareness and preference toward HP's enterprise business portfolio. His prior assignments in HP include strategic and marketing planning, operations, alliance and finance across the enterprise and small and medium business organizations.

Prior to joining HP in 2000, Cheung worked in sales and business development for a U.S.-based manufacturing company in Asia Pacific. He started his career as an auditor.

Fluent in Mandarin and Cantonese, Cheung holds a Master in Business Administration from Washington State University and a bachelor's degree in accounting and finance from the University of Oregon. He is also a member of Royal School of Music of Great Britain in Pianoforte.
