HP Photosmart C4280 All-in-One

Overview
Produce true-to-life photos, laser-quality documents, and copy and scan easily with HP's most affordably priced all-in-one, the HP Photosmart C4280 All-in-One. Bring new life to old photos and create photo projects, using the new HP Photosmart Essential software, memory card slots and 1.5-inch preview display. With convenient one-touch buttons and fast printing speeds, this stylishly designed all-in-one is ideal for small workspaces in the home.

Key features and benefits
- Get fast and efficient printing and copying with speeds up to 30 pages per minute (ppm) black and 23 ppm color for laser-quality documents.

- Preview and print photos without a PC, using the 1.5-inch color display.

- HP auto paper type sensor optimizes print and copy quality for various papers.

- HP Photosmart Essential software allows users to edit, organize, print, share, archive and create unique photo projects.

- HP Real Life technologies automatically remove red-eye and restore faded color for professional-quality photos using a home PC.

- Six-ink optional printing with HP Vivera inks produces rich and realistic photos that resist fading for generations.[1]

- HP Smart Web Printing ensures the production of usable web pages without cutoff edges.[2]

- Get color and black & white copies and photo reprints without a computer.

- Intuitive control panel and convenient one-touch buttons that are easy to use.

- Print lab-quality photos at home for about 29 cents per photo with HP 75XL Photo Value Pack with HP Premium Photo Paper.[3]

- Microsoft Windows Vista® ready.

Additional features
- Convenient memory card slots – CompactFlash, MultiMedia Card, Secure Digital Card, Mini SD, Memory Stick, Memory Stick Duo and xD-Picture Card.[4]
