HP Scanjet 5000 Sheet-feed Scanner

Overview

With fast document scanning speeds and improved paper handling capabilities, the HP Scanjet 5000 Sheet-feed Scanner easily captures a variety of documents, including legal-size documents, business cards, ID cards and embossed cards. Featuring a two-line LCD panel, a simplex/duplex button, task shortcuts and options to modify digital documents, small and mid-sized business customers can increase productivity on everyday office scanning needs as well as easily integrate the scanner into existing workflow systems. The HP Scanjet 5000 Sheet-feed Scanner also includes a broad selection of intuitive software to help users manage digital files, convert scans into editable text documents and create databases of professional contacts.

Key features and benefits

- Quickly scan documents at speeds up to 25 pages per minute (ppm) and 50 images per minute (ipm) in black and white, grayscale and color[1]

- Reliably scan up to 1,500 pages a day, and quickly scan documents up to 8.5 x 34 inches, using the 50-page automatic document feeder (ADF)

- Advanced paper handling capabilities for managing all types of documents, including legal size documents, business cards, identification cards and embossed cards

- Simple selection of single-side or double-side scanning with one-touch simplex/duplex button

- Create and launch customized profiles and view other scanner settings with the two-line LCD display

- Get sharp, clear and legible documents with up to 600-dpi, 48-bit color scanning resolution

- Enhance productivity with a broad selection of included document management applications: ScanSoft® PaperPort®, IRIS Readiris™ Pro OCR and Presto! Biz Card[SM] Reader

- Easily convert stacks of hard-copy documents into electronic files and save them as a variety of popular formats, including PDF-A, PDF, TIFF and JPEG

- Reply on exceptional HP service and standard one-year limited warranty, backed by HP Total Care, HP's award-winning service and support program. HP Total Care delivers advice, learning and support in and out of warranty 24 hours a day, every day of the year. Further support information is available at www.hp.com/support

- Features HP Instant-on Technology and is ENERGY STAR® qualified
