Sharon Chang

Director, Product Marketing, Software & Solutions, Technology Solutions Group

Hewlett-Packard Company

Sharon Chang is director of product marketing for the Software & Solutions organization in the Technology Solutions Group at HP. In this role, Chang is responsible for the marketing of the company's market-leading Business Service Automation products.

Chang joined HP through the company's acquisition of Opsware in 2007. At Opsware, Chang was involved with managing the Server Automation product.

Prior to Opsware, Chang held a variety of product management and product marketing roles with NEC Europe and the HP Network Server Division, now Industry Standard Servers.

Chang earned her bachelor's degree from the University of the Pacific, and her Masters of Business Administration from the University of Southern California.
