HP Photosmart C4600 All-in-One Series

Overview

The HP Photosmart C4600 All-in-One Series is a versatile, intuitive printing system that makes at-home scanning, copying and printing simple and convenient. Easily view and print photos, web pages and everyday documents with the printer's color display with an HP TouchSmart frame. Built for efficiency, the HP Photosmart C4600 All-in-One Series also includes the HP Photo Print Gadget, which helps save time and avoid errors by allowing users to drag and drop photos to a desktop icon from virtually anywhere on a PC.[1] Additionally, consumers can produce lab-quality photos without needing a PC – simply insert a memory card and preview photos on a color display and print.

Key features and benefits

- Print what's on the screen – HP Smart Web Printing allows users to select and organize text, graphics and photos from multiple web pages to print exactly what is needed on a single page, eliminating paper waste.[2]

- Easily make impressive photo and creative projects in minutes – with one convenient stop at the HP Creative Studio.

- HP printers are the world's easiest printers to use – chosen by consumers.

- Easily make copies, scan documents, view and print photos with the 1.45-inch color display and HP TouchSmart frame.

- Quickly make lab-quality photo reprints and enlargements – up to 8.5 x 11 inches – that last for generations using Original HP inks and photo papers.[3]

- Remove red eye from images and easily print 4 x 6-inch photos in just a few steps with included HP Photosmart Essential software.

- Easily identify features that reduce environmental impact with the HP Eco Highlights label.

- ENERGY STAR® qualified – use less energy, save money and help reduce environmental impact.

- Enjoy convenient and responsible ink cartridge recycling at no additional cost through HP Planet Partners.[4]

- Use the "Eco-tips" button in the HP Solution Center to learn more ways to print responsibly, conserve resources and recycle.

- Get up to three times more black-and-white pages, and up to two times more color pages, using high-capacity HP 60XL ink cartridges.[5]

- HP 60 ink cartridge bodies are made from at least 50 percent recycled plastics from
