

HP Photosmart A640 Compact Printer Series

Overview

The HP Photosmart A640 Compact Printer Series makes it simple to view, edit, create and personalize photos – all without a PC – with easy-to-navigate menus right on the printer's HP TouchSmart control panel with large 3.45-inch touchscreen. Ideal for on-the-go photographers and busy parents, this portable and compact device easily prints from Bluetooth®-enabled mobile phones,⁽¹⁾ allowing users to print out and share their photos wherever they are.

With more than 300 creative elements to choose from, including borders, clipart, album pages and photo captions, the HP Photosmart A640 Compact Printer Series makes personalizing and printing home photos easy and fun. In addition, 30 editing and enhancing options from the HP Design Gallery, including pet-eye fix, slimming feature, blemish removal and sepia tones, make photos look their best.

This ENERGY STAR® qualified printer helps reduce packaging waste by shipping in an innovative, reusable tote made from recycled plastics.

Key features and benefits

- Easily caption photos with on-screen keyboard or writing stylus, and display slideshows at home or on-the-go from the HP TouchSmart control panel.
- Use Windows® Live Photo Gallery to easily edit, store and print photos, as well as make photo cards, calendars and more.
- Print from a variety of sources including Bluetooth-enabled cell phones,⁽¹⁾ memory cards and digital cameras via Pictbridge connection.
- Save time printing photos from the PC using HP Quick Connect self-installing software, eliminating the need for an installation CD.
- Preserve memories in rich, beautiful color using Original HP inks on instant-dry, smudge- and fade-resistant HP Advanced Photo Paper.
- Create photo greeting cards right from the TouchSmart control panel in a variety of sizes, including 5 x 7-inch and 4 x 12-inch panorama.
- Save time and avoid printing errors with automatic red-eye removal and instant photo fix.
- ENERGY STAR qualified –use less energy, save money and help reduce the environmental impact of printing.
- Lower environmental impact – more than 32 percent of the printer's body is created from recycled plastic material; the printer also ships in a reusable plastic tote for
