JUNE MANLEY
Worldwide Product Marketing Director
HP Software

HEWLETT-PACKARD COMPANY

June Manley is worldwide product marketing director of Information Management Solutions in the Software organization at HP. She is responsible for HP's Information Management portfolio of software and services that help organizations manage their information governance needs.

Prior to joining HP, Manley was director of strategic alliances and business development at CommVault, where she played a pivotal role in the company's collaboration with NetApp and was responsible for the delivery of joint solutions to the market.

Before CommVault, Manley was a senior manager of solutions marketing for NetApp, where she was instrumental in driving the company's go-to-market initiatives for disk-to-disk (D2D) backup, disaster recovery and archiving and compliance.

Manley holds a Bachelor of Arts in business administration from St. Jude's Business College, India.
