

KEVIN BURY

Vice President, HP Software as a Service
Software, HP Enterprise Business

HEWLETT-PACKARD COMPANY

Kevin Bury is vice president of Software as a Service for the Software organization at HP. To this role, he brings more than 20 years of sales, marketing and operational experience and a strong track record of enabling collaboration among cross-functional teams.

Previously, Bury served as chief executive officer of QuickArrow. Under his stewardship, QuickArrow grew 300 percent over six years and was acquired in 2009 by NetSuite. Prior to QuickArrow, Bury was vice president of Meritage Technologies. He also held various sales and marketing leadership roles at Vanstar, previously known as ComputerLand.

Bury attended the University of Toledo, where he majored in business administration. He is a member of numerous high-tech and software associations.
