intelligently and economically manage their business technology investment across the full IT portfolio – from planning and acquiring technology all the way to replacing and retiring it.

HP Financial Services customers range from small businesses to the largest global enterprises as well as local, regional and national government agencies around the world. Customers include Aetna, Atlantic Health Systems, Coronation Dental Specialty Group (Canada), iSOFT Group (Australia), Maritz Inc., Metro Health, Mitel Networks Corp., Rockwell Collins, Sanyo, Secured Digital Storage Corp. and Shinhan Bank (Korea), among others.

Leasing provides customers with flexibility and makes it easy for them to migrate to newer generations of technology. There's typically no substantial upfront payment, so customers preserve working capital and can allocate it to other projects. HP Financial Services manages the entire lifecycle process and can provide technology refreshes at appropriate intervals during the lease. The company also offers sale-leaseback capabilities.

### **Certified asset disposition capabilities**

HP Financial Services offers global asset disposition services to manage retirement of companies' IT assets in an environmentally sound fashion. HP Financial Services also offers industry-standard software and processes to overwrite disk drives and help safeguard data that may reside on drives or in memory.

IDC, a leading provider of global IT research and advice, has recognized HP as a certified IT Asset Disposal vendor, noting that customers can have confidence in the company's ability to safely and securely decommission IT assets they no longer need – whether made by HP or another manufacturer.

While IDC's certification process only considered U.S. operations, HP offers comparable capabilities worldwide.
