

## Jennifer Bernas

Worldwide Cloud Solution Manager,  
HP Enterprise Business  
Hewlett-Packard Company

---

Jennifer Bernas is the worldwide cloud solutions manager for HP's Enterprise Business organization. She is responsible for driving cloud computing messaging and strategy throughout HP Enterprise Business.

Bernas has worked for HP for the past five years and was previously marketing manager for HP's software division. Prior to joining HP, Bernas was the public relations/analyst relations lead for Qualcomm's CDMA technology division in the Americas.

Bernas holds a degree from San Diego State University and received her MBA from the University of Phoenix.
