MULTI-SHEET LOADER KIT
for HP Scitex FB7600 and FB7500 Industrial Presses

Take your productivity to new levels and print more jobs faster and with better efficiency with the multi-sheet loading table. This optional table allows your operator to simultaneously print on up to 4 pre-cut sheets, shortening the turnaround time and reduce waste by eliminating cutting. And, to align the sheets to either the right or left side, for increased efficiency of double-sided printing.

Loading 3 sheets simultaneously with alignment to the right

**Loading 4 sheets simultaneously with alignment to the left**
